

Star Wars: In Concert  
GROUPS SALES OFFER  
October 25, 2009

Toyota Center is excited to welcome *Star Wars: In Concert* to Houston for one show only on Sunday, October 25! Narrated live by Anthony Daniels (the actor who portrayed C-3PO in all six films), the production features a full symphony orchestra and choir performing music from all six of John Williams' epic *Star Wars* scores. The music will be accompanied by footage from the films displayed on a three-story-tall, high-definition LED super-screen – one of the largest ever put on tour. Accompanying the concert is an exclusive exhibit of *Star Wars* costumes, props, artifacts, production artwork and specially created behind-the-scenes videos from the Lucasfilm Archives. Many of these pieces are leaving Skywalker Ranch for the first time. The exhibit features many classic fan favorite artifacts, as well as several new and never-before-seen items, such as full costumes for Jedi Masters Kit Fisto and Plo Koon; pages from John Williams' original hand-written sheet music for *Star Wars: Episode I The Phantom Menace*; and props from the films, including blasters and helmets from Coruscant, Tatooine and other iconic *Star Wars* locations. Don't miss out on this unique multi-media event when it comes to Houston for one show only on October 25!
