Walking With Dinosaurs
April 2-6th 2008

Toyota Center is proud to welcome Walking with Dinosaurs – The Live Experience, Locally Presented by Children's Memorial Hermann Hospital, to Houston in April 2008. Based on the BBC television series, this tour will feature 15 life-sized dinosaurs interacting in a realistic prehistoric setting created on the arena floor of Toyota Center. Audiences will marvel at the story of the creatures who dominated the Earth for 200-million-years. Walking With Dinosaurs – The Live Experience is a \$15 million-dollar production which features life size dinosaurs walking, roaring and clashing right before your eyes.
